

## Hangar Flying with John and Martha King - (This is a past event)

John and Martha King will share their enthusiasm for flying with a delightfully entertaining and educational program. The Kings use humor and real-world, cross-country experience gleaned from years of traveling by light plane to weekly seminars to vividly illustrate the principles of safe cross-country flying.

**Directions:** From Palm Springs International Airport go east on Tahquitz Canyon Way to Avenida Caballeros, turn north and go 1/4 mile to the Convention Center.

### A message from the National FAASTeam Manager
